

December 2007 Child Care News!

Christmas Happenings!

In December, we are celebrating the birth of Jesus, our Savior! Much more than a tiny helpless baby lying in stinky hay, Jesus is alive and real in our lives TODAY!!

At Calvary Child Care Center, there are many things going on in December! We are blessing others with the **Angel Tree project**. We are collecting names and wishes of children whose families have a financial hardship and are matching them up with "angels" who will purchase Christmas gifts for the children. We are still in need of more "angels" to help.

We will also be celebrating Jesus through our **Christmas parties on December 21st. Check the Parent Board for details.** Our parties encompass fun snacks and crafts and also a **book swap.** **Each child will bring a wrapped book to swap with another child in the class. The book should be appropriate for ANY child in the class (boy or girl) since you won't know who will get it!** Watch the parent board for food sign ups!

Our annual child care Christmas program will be held on **Friday, December 21st at 4:30 PM** in our former sanctuary (where

we sometimes play inside). Just child care will be participating—a *short and sweet experience!!*

Christmas schedules are posted the classroom parent boards. Just like we did at Thanksgiving, we need to know when your child will be attending during the Christmas holidays. We have many requests off from our staff and we need to know the number of children attending per day in order to grant those requests. **Please fill out your child's schedule on the parent board today if you haven't already!**
